MANDATORY GENERIC RULE - When a generic medication is available and is not obtained by the member, whether at the member's request or the prescribing physician's request, or when a prescription is written for a drug that is not on Florida Health Care Plans drug formulary, **it will not be covered**. Florida Health Care Plans will provide a discount off of the Average Wholesale Price (AWP) for non-formulary drugs to Medvantage and Group members. These prescriptions can then only be dispensed by FHCP Pharmacies. Please refer to your FHCP Co-payment Schedule for the appropriate discount.

Non-formulary drugs or brand name drugs that are generically available and not dispensed generically are not covered if purchased from Walgreens.

An HMO with a Medicare Contract
